UNITED STATES INTELLIGENCE BOARD

OFFICE OF THE EXECUTIVE SECRETARY

CIA HISTORICAL REVIEW PROGRAM
RELEASE IN FULL 1995

14 November 1962

MEMORANDUM FOR: Chairman, United States Intelligence Board

SUBJECT : Coordination Staff Report on Analysis of Foreign
Intelligence Plans and Programs for FY 1964
(USIB-D-53.2/1, 22 October 1962)

REFERENCE : Memorandum for Chairman, United States Intelligence
Board, from Executive Secretary, dated 26 October 1962

1. It is understood that you do not wish to schedule the subject report for consideration at a USIB meeting until you have completed your personal review of it, since this document is of primary concern to you as DCI in carrying out your responsibility for coordination and guidance of the foreign intelligence effort.

2. As an alternative to consideration at an early USIB meeting, you might wish to request that each of the other USIB members, by memorandum action:

a. Advise you at an early date of his views regarding the actions proposed by the Coordination Staff in Part 1 of Attachment No. 1 of the subject report, indicating concurrence, amendments, deletions or additions.

b. Agree to submit at the end of CY 1962 any changes in the summarization of the program for his agency in Attachment No. 2 of the subject report, required to bring that summarization up-to-date as of that time for accurate record and reference purposes.

3. This procedure would serve the following purposes:

a. Constitute a means of responding to the Presidential approval of Joint Study Group Recommendation No. 32 calling for such an annual review by USIB of future plans and programs.

(EXECUTIVE SECRETARY FILE USIB)

b. Enable each of the other Board members to express the views on the subject report which he and his staff have been developing, and to bring up-to-date the summary of his agency's program.

c. Provide authoritative advice by the other USIB members to you as DCI (without commitment by you pending your further review), which could also be used as background in your consultations or communications regarding the subject with the President, National Security Council, heads of other departments and agencies and the President's Foreign Intelligence Advisory Board.

4. Accordingly, if you do not wish at this time to schedule the subject report at a USIB meeting, it is recommended that you approve the alternate procedure discussed above, by authorizing the circulation of the attached memorandum for the USIB.

MEMORANDUM FOR THE UNITED STATES INTELLIGENCE BOARD

SUBJECT: Analysis of Foreign Intelligence Plans and Programs
for FY 1964

REFERENCE: USIB-D-53.2/1 dated 22 October 1962

1. The Director of Central Intelligence, in connection with his current review of the reference report on the subject, has requested that, in lieu of consideration at a Board meeting at this time, each of the USIB members advise the Chairman of his views regarding the actions proposed by the Coordination Staff in Part 1 of Attachment No. 1 to that report, indicating his concurrence, amendments, deletions or additions.

2. In addition, it has been informally suggested by some USIB agencies that they be given an opportunity to bring their respective programs up-to-date. Accordingly, it is proposed that, in the interest of accuracy for record and reference purposes, each member agree to submit at the end of CY 1962 any changes in the summarization of the program for his agency in Attachment No. 2

of the reference, required to bring that summarization up-to-date as of that time for circulation by the Secretariat of a revised attachment No. 2.

3. Accordingly, it is requested that each Board member complete the attached memorandum form, and transmit it to the Chairman, USIB, through the Secretariat, not later than the close of business on Monday, 26 November 1962.
